## Independent Auditor's Report

To the Board of Directors  
The Association to Preserve the Eatonville Community, Inc.

I have audited the accompanying financial statements of The Association to Preserve the Eatonville Community, Inc., which comprise the statement of financial position as of September 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### *Opinion*

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Association to Preserve the Eatonville Community as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**THE ASSOCIATION TO PRESERVE THE EATONVILLE COMMUNITY, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED SEPTEMBER 30, 2014**

**NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Organization** – The Association to Preserve the Eatonville Community, Inc. (the Association) was incorporated in March 1988, to preserve and enhance the quality and nature and physical environment in Eatonville; to educate the public about historic, cultural, architectural, and scenic preservation and resources; and to seek the designation of Eatonville, Florida as a historic area.

The Association receives its funding primarily from an annual festival, including grants and sponsorships from the county and private entities.

**Programs**

**Festival** – An annual celebration of the life and work of Zora Neale Hurston; the historic significance of Eatonville, Florida, popularly known as the “oldest incorporated municipality in the United States to be founded by African Americans,” and the cultural contributions made to the United States and the world by people of African descent.

**Neighborhood Centers for Families** – Programs funded by Orange County, Florida to provide support and education to youths in areas of reading, writing, computer arts, life skills and the arts in various Orange County communities.

**Museum and Other Programs** – The Association operates a museum and maintains an exhibit related to the historical aspects of Eatonville, Florida. It also sponsors various educational trips and programs designed to educate and preserve the historical significance of people of African descent and conduct other activities as described in Neighborhood Center for Families.

The Association is a tax-exempt organization under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than private foundation. The Association’s federal income tax and informational returns for the years ended September 30, 2010 and later remain subject to examination.

**Donated Services**

The Association recognizes donated services meeting the requirements of generally accepted accounting principles in the financial statements at estimated fair values.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Subsequent Events**

Subsequent events have been evaluated through June 22, 2015, which is the date the financial statements were available to be issued.

**THE ASSOCIATION TO PRESERVE THE EATONVILLE COMMUNITY, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED SEPTEMBER 30, 2014**

**Basis of Accounting**

The Association prepares its financial statements on the accrual basis of accounting and revenues are recognized when earned and expenses are recognized when incurred.

**Basis of Presentation**

Financial statement presentation follows the Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. Under ASC 958, the Association is required to report information regarding its financial position and activities according to three classes of assets – unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. A description of the three net asset categories follows:

- Unrestricted – Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.
- Temporarily restricted – Net assets whose use by the Association is subject to donor-imposed restrictions that can be fulfilled by actions of the Association pursuant to those restrictions or that expire by the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- Permanently restricted – Net assets subject to donor-imposed restrictions that must be maintained permanently by the Association.

**Contributions and Revenue Recognition**

In accordance with ASC 958, grants and other contributions received are recorded as revenue in the period received and classified as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Interest and other income are recognized when earned.

Unconditional promises to give (pledges) are recognized as revenues at their fair values in the period pledged. The Association provides an allowance for doubtful accounts when necessary. Unconditional promises to give are temporarily restricted until time restrictions expire or the funds are used for the restricted purpose.

Conditional promises to give (conditional pledges) are recognized as revenues when the conditions are substantially met. Conditional promises to give are recorded as unrestricted revenue in the period which the conditions have been substantially met.

Contributions that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily or permanently restricted contributions based on the nature of the restriction. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets. Noncash contributions received by the Association are recorded at management's estimate of the fair market value at the date received.

**THE ASSOCIATION TO PRESERVE THE EATONVILLE COMMUNITY, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED SEPTEMBER 30, 2014**

Contributed services are reported at fair value in the financial statements for voluntary donations of services when those services (1) create or enhance non-financial assets or (2) require specialized skills provided by individuals possessing those skills and are services which would be typically purchased if not provided by donation.

**Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, the organization considers all cash and investments with an original maturity of three months or less when purchased to be cash equivalents. At September 30, 2014, the Association did not have any cash equivalents.

**Equipment**

Equipment, exhibit, and leasehold improvements in excess of \$1,000 are capitalized at cost when purchased, and at fair value when donated. Depreciation is recognized using the straight line method over the estimated useful life of an asset.

**NOTE 2 – GRANTS RECEIVABLE**

The Association recognizes grant revenue as the funds are utilized for grant purposes and which stipulated conditions have been substantially met. Accounts receivable from grants represents funds expended for the specific program but not yet reimbursed from the funding agency. All accounts receivable are due within one year. The Association does not establish an allowance for doubtful accounts because all accounts receivable are considered collectible. If accounts become uncollectible, The Association's policy is to charge those amounts to operations when they are determined uncollectible.

**NOTE 3 – DEFERRED GRANT REVENUE and TEMPORARILY RESTRICTED CASH**

Deferred grant revenue represents funds received from the program grant but not yet expended and which stipulated conditions have not been met. This same amount is considered temporarily restricted cash. As of September 30, 2014, there was no deferred grant revenue from grants and contracts.

Total	\$256,265	\$ 326,849

**NOTE 11: CONTINUITY OF OPERATIONS**

The Association has generated operating losses in seven of the past ten years ended September 30, 2014, and has accumulated losses in excess of its assets in the amount of \$410,822 at September 30, 2014. These losses, along with current economic conditions and results of operations, have had a negative impact on the Association’s cash flow and therefore, its ability to operate.

As of June 17, 2015, the Association has taken measures to reduce their net asset deficit. It has implemented a plan to satisfactorily settle all of its debt obligations, less the debt owed to a board member, within a three year period. In addition, the Association is developing new sources of revenue to assist in the deficit reduction. The Association believes that utilizing these measures will return it to a stable and sustainable financial position in the near future.
